

Aerobic (AER) Judging Pathway

All aerobic judges will follow the pathway in the diagram. In most instances a judge will move from one accreditation to the next. Only under special circumstances can a judge miss an accreditation level. Please note that Intermediate Bronze Judge Accreditation is no longer available.

The table gives an overview of what will be covered in the course. For example, a Beginner Judge will learn how to accurately judge the execution of skills for levels 2-4 of the Australian Levels Program (ALP), formerly the National Levels Program.
